Dear Paul,

I am writing to support your bid for the development of the new sporting facilities at Edge Hill University.

England Netball will be able to deliver in the new sports facilities: Coach Education courses such as UKCC Level 1 & 2 and Young Netball Organisers, to help develop more coaches in the North West.

It will be an ideal venue to run training camps for the Young England Excel Groups or for the Regional Super League team Northern Thunder to hold training camps.

Looking at the local community of Ormskirk, the University will be an excellent venue to set up 'Back to Netball' sessions and start a local Netball club using the University students to assisting in coaching at the sessions.

Hoping your bid is successful, if you require any further information please do not hesitate to contact me.

Yours sincerely
