Childcare (Disqualification) Regulations 2009

In September 2018, the Department for Education (DfE) issued an update to its Statutory Guidance “Keeping Children Safe in Education.”

This update requires ITT providers that place trainees in settings with pupils under the age of 8, to ensure that the trainees working in these settings are not disqualified from doing so under the Childcare (Disqualification) Regulations 2009.

A person may be disqualified through:

1. Having certain orders or other restrictions placed upon them;

2. Having committed certain offences;

You are required therefore to complete a declaration confirming that you are not disqualified under those Regulations from working in schools and settings.

A disqualified person is not permitted to continue to work in a setting providing care for children under age 8, unless they apply for and are granted a waiver from OFSTED: www.ofsted.gov.uk/resources/applying-waive-disqualification-early-years-and-childcare-providers

If you declare a disqualification to the University you will be contacted by the University shortly afterwards to discuss the matter.
