Objectives

This session is aimed at understanding:

- Metrics (2-Scores, Flags and initial hypotheses about Gold, Silver and Bronze status).
- Making sense of the NSS Teaching Quality questions.
- The 10 TEF criteria (how they have been reported in TEF 2 institutional narratives and ‘what counts’).

Programme

Self-evaluation and review tools will be provided which are aimed to:

1. Encourage identification of good practice for collaboration and dissemination across EHU (There are many lights under the bushels here!).
2. Identifying areas for further development based upon practical examples from the emerging literature.
3. Identify any support/collaboration that may be needed.
