

**Centre for Learning and Teaching  
Staff Development Session 2019-20**

**Facilitator:** Barry Matthews

**Title:** Digital Skills vs. Digital Literacy

**Objectives:**

During this session you will gain a knowledge of the resources available to you to develop your digital literacy, or to encourage others.

**Prerequisites:**

This session is open to all staff.

**Programme:**

We will discuss what is meant by digital literacy, and how this is different from digital skills. We will then look at tools to develop a digital literacy, from improving typing to successful use of Microsoft software.

**Rationale:**

To build confidence and skills with digital technologies.
