

**Centre for Learning and Teaching
Staff Development Session 2019-20**

Facilitator: Linda Marron

Title: Ensuring Fair Assessment – session 2

Dates: 21/11/19, 23/01/20 & 26/03/20

Times: 1-2pm

Objectives:

At the end of the session delegates will be able to:

- Discuss the 'fairness' of an assessment.
- Identify the pros and cons of different assessment types.
- Discuss 'unfair' assessment from a student's point of view.

Prerequisites: This session is open to all staff.

Programme:

This session will involve group discussion and both group and individual activities.

Please Note:

To ensure participants have the best possible learning experience, aided by the use of individual and group exercises, case studies and discussion with colleagues from across the University, this session requires a minimum number of 10 bookings.

Rationale:

This session will help colleagues to enhance their own learners experience by raising awareness of what constitutes fair and unfair assessment.
