## Regulations

### 1. Graduation

- 1.1 Graduation ceremonies will be held to confer degree and diploma awards that consist of a minimum of 120 academic credits at Level Five and above. Other awards will not normally be presented at a conferment ceremony.
- 1.2 Academic qualifications are confirmed at University Assessment Boards and take effect from this date. A public conferral of the awards shall subsequently take place at the graduation ceremony.
- 1.3 The University Mace is the symbol of authority of the University and should normally be carried and exhibited on all occasions when awards are being conferred.
- 1.4 The person undertaking the role of University Mace Bearer will be appointed by Directorate.
- 1.5 A schedule for ceremonies will be compiled by Academic Registry and will be published on an annual basis.

- 1.6 The University reserves the right to transfer graduands to an alternative ceremony for operational reasons.
- 1.7 Graduands who do not attend their graduation ceremony will have their award conferred in absentia and their name will be included in the graduation programme.
- 1.8 Those graduands who are not permitted to attend their original ceremony, due to academic failure, will be invited to attend a ceremony in the session following their successful completion.
- 1.9 Graduands are expected to register for their ceremony and arrive at the ceremony within the timeframes issued by Academic Registry. Failure to adhere to the deadlines set by Academic Registry may result in the graduand being prevented from attending the ceremony.
- 1.10 Graduands are entitled to two guest tickets providing a request is made within the published timeframe. Requests for additional guest tickets can be made, however, additional tickets will only be issued when the standard entitlement of all graduands has been met. Priority, when distributing additional tickets, will be given to those graduands who demonstrate exceptional circumstances.
- 1.11 Guest tickets are non-transferable to another ceremony or to another graduand.
- 1.12 To enable the University to ensure that graduands and guests are able to participate fully in ceremonies, any special requirements must be made known to the Ceremonies Team no later than one month in advance of the ceremony date.
- 1.13 University prizes, where appropriate, will be presented to graduands at their ceremony.

## 2. Debt and Deferral

- 2.1 Graduands who are in debt to the University are not permitted to attend a conferment ceremony.
- 2.2 Graduands who are not permitted to attend their ceremony as the result of outstanding debt will not normally be permitted to attend a ceremony (for the programme to which the debt is associated) in a subsequent session.

Registrar – Award Ceremonies & Certification. All requests for deferrals must normally be submitted in writing to the Assessment & Awards Team at least three weeks in advance of the ceremony to which the graduand has been originally invited. It is the responsibility of those graduands in this position to apply for tickets to the relevant ceremony when they are in a position to do so.

### 3. Honorary Awards

- 3.1 The University may bestow Honorary Awards in accordance with the criteria stipulated in Appendix 25 – Honorary Awards.

- 4.4 Prescribed academic headwear should be worn at all times that participants are standing throughout graduation ceremonies. Headwear may be removed when seated.
