Course content & structure

Compulsory modules:

- **Personal leadership development as a strategic manager (Unit 7001)**

This module is about the challenges and skills of making managerial decisions that must be made in support of the organisational objectives, purpose and vision. The module focuses on understanding employee (human) behaviour and the strategic functional business requirements, supporting the learner to develop a range of strategic management skills to meet the varying demands and requirements presented by different working scenarios.

- **Developing performance strategies (Unit 7002)**

This module is focused on ensuring that the performance of the team contributes to meeting strategic objectives. It will provide development of effective tools and techniques, relationships and interventions to facilitate strategic development within the organisation.

On-line Flexible learning environment

The course is designed to offer you the flexibility to learn at a time that suits your busy work and home commitments. You will access weekly tutorials for each module, delivered through Edge Hill Business School's on-line learning environment. Here, you will find all the course materials you need and also have access to student support.

Edge Hill University Business School offers you exceptional teaching in a supportive learning environment. As a student of Edge Hill University Business School you will have access to all our learning resources and student support.
