

Dyslexia affects  
**1 in 10** people.

Become a Dyslexia Specialist Assessor  
(and teacher) – a rewarding career that makes  
a real difference.

# Train, qualify, and get accredited.

You'll need a Level 7 qualification, such as a PGCert in Dyslexia.

We're one of the UK's largest providers, with start dates in September and January.

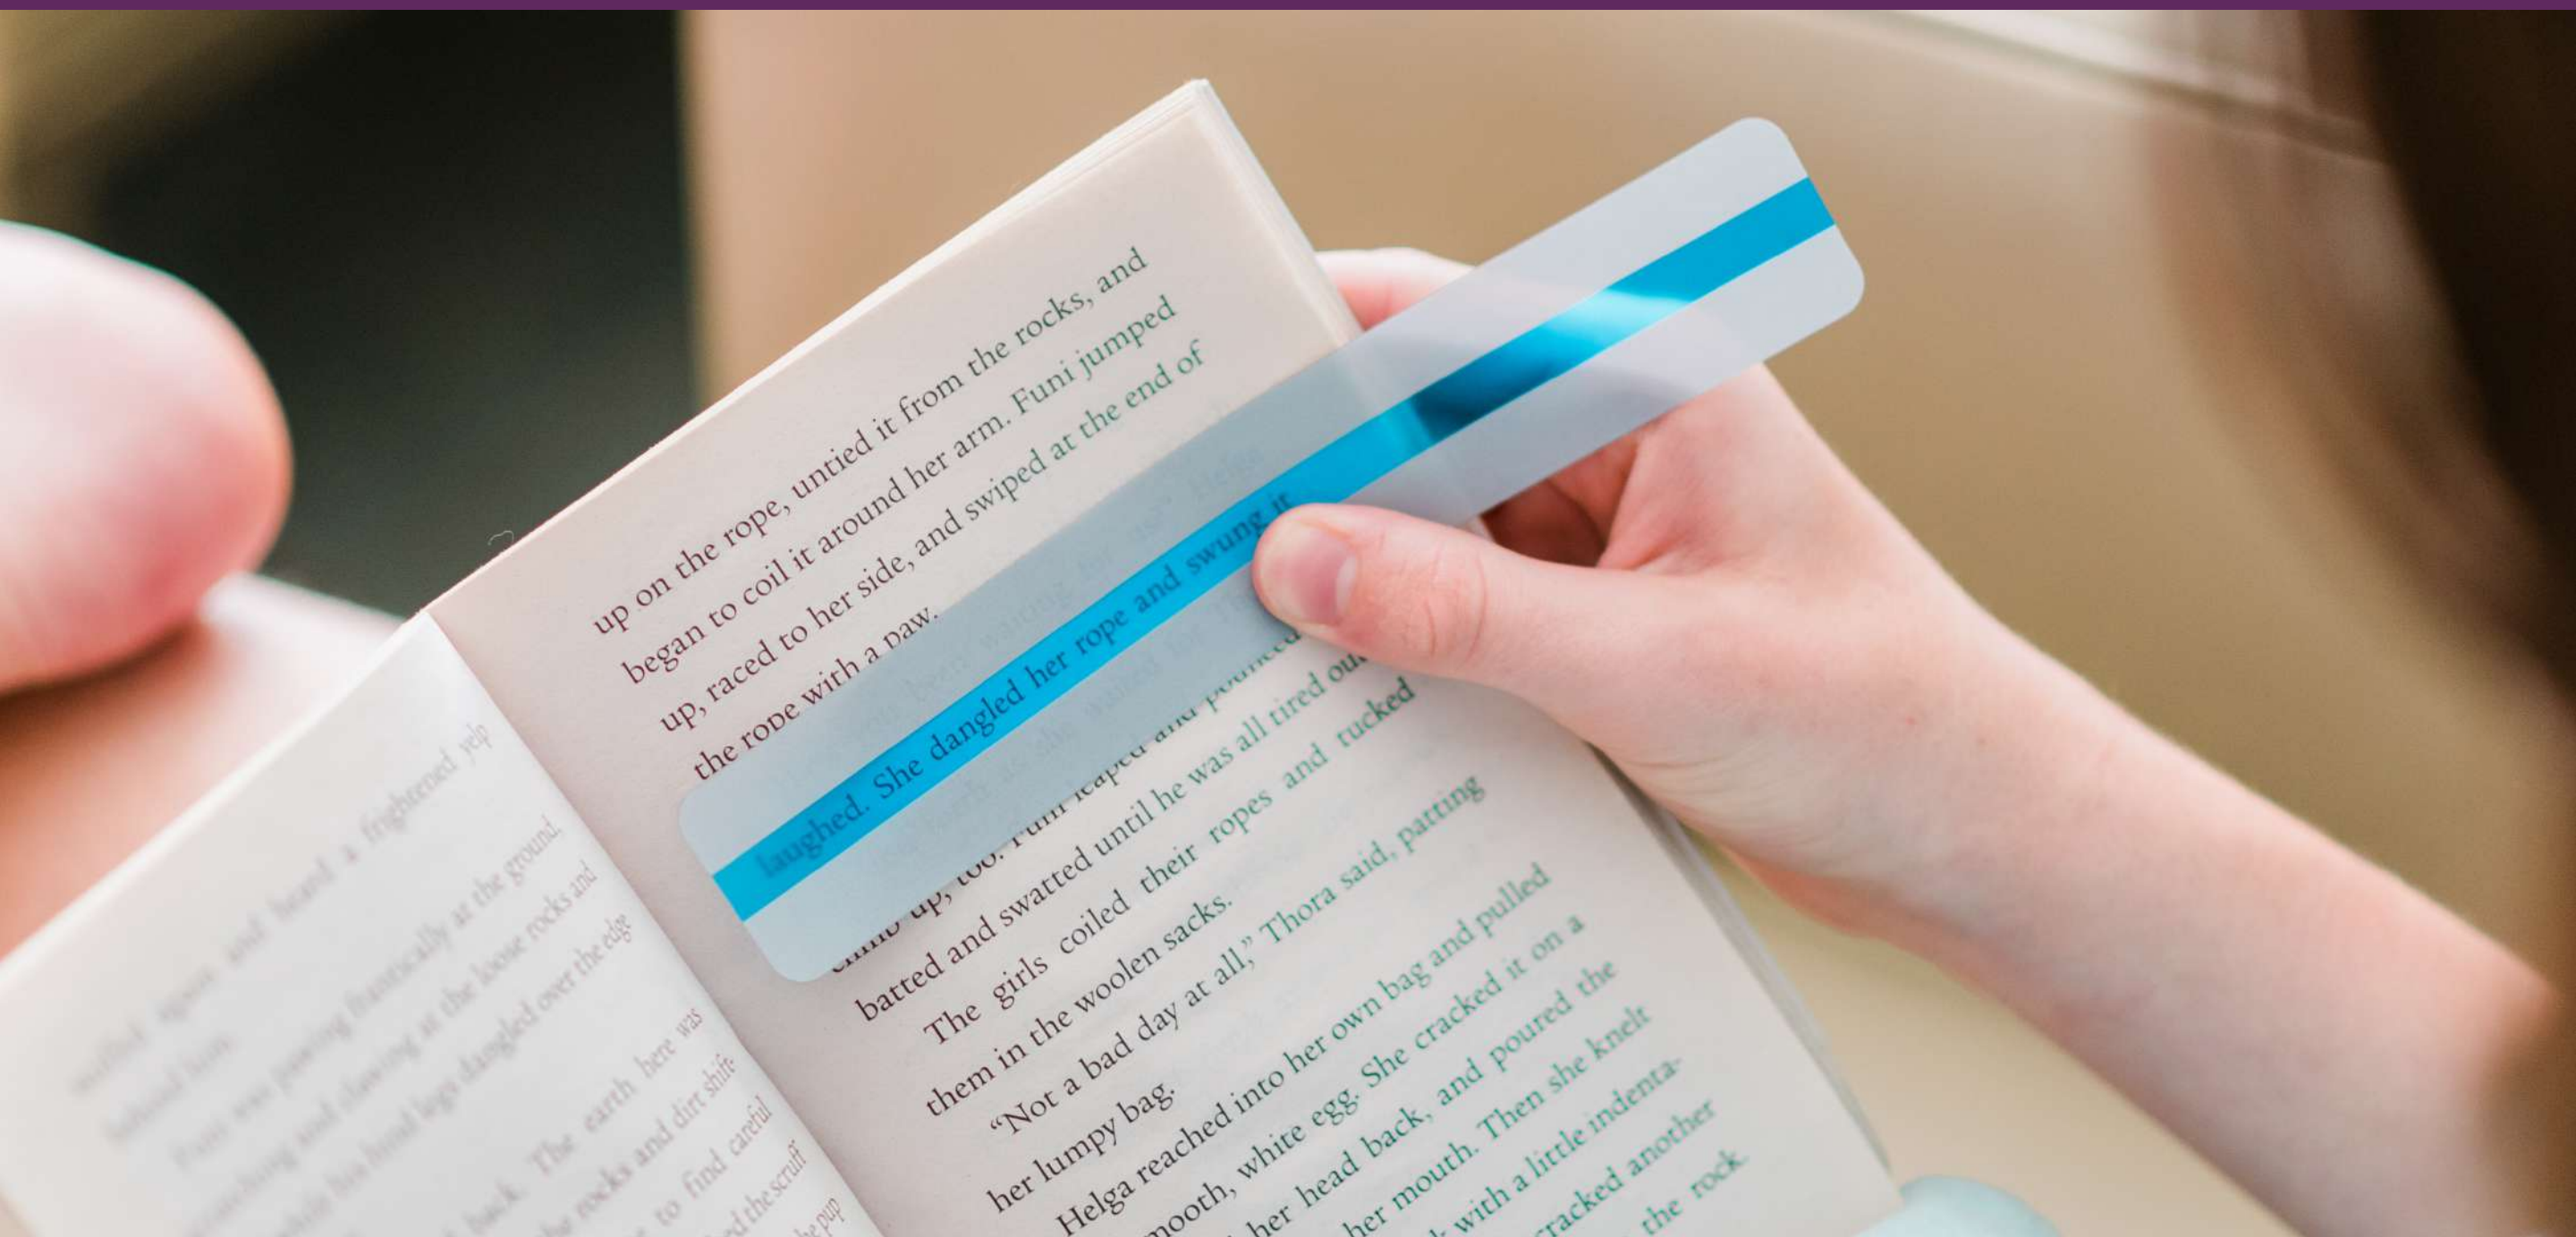

# There's a growing demand for trained dyslexia assessors.

From education and psychology to speech therapy and social work - your experience is needed.

# Support learners of all ages.

Help children, young people, and adults  
with dyslexia to thrive.

# Every assessment can change a life.

From early diagnosis to long-term support, you can shape futures. Study over 18 months part-time.

**Start your journey today.**
