PG Suitable for postgraduate applicants

Start your Open Day with a visit to the Faculty of Health, Social Care and Medicine welcome desk situated in the building foyer.

Here, academic staff and students will be on hand to offer you the chance to ask questions and collect any course information.

Please see some suggested activities to make the most of your day.

To explore all presentations and one-to-one sessions within the faculty, please check our schedule or scan the QR code below to download your own copy.

WELCOME

Grab yourself a drink and network with staff and students whilst you wait for the **Discover EHU talk** delivered by the Vice-Chancellor.

Make your way from the Discover EHU talk to your **'first' choice programme talk**.

Once you have attended the 'first' choice programme talk, take the opportunity to grab another drink before heading to a **'one to one'** with a member of academic staff (ask staff for details).

Enjoy lunch, at one of our popular food outlets in the **Hub**, or **Roots** in the Faculty of Education Lakeside building

After lunch you may wish to attend a **'second' choice programme talk** and/or a **one-to-one discussion** with faculty staff from that programme.

Confident that you have all the relevant programme information you need? Head out across to our fantastic **Clinical Skills and Simulation Centre (Map point 10)** where you will be able to take a tour of the facilities, chat to current students from various programmes and speak to some of our practice partners.

Before returning home, make sure you check out the **Hub (Map point 2)** for information on **accommodation, finances** and other support available. The **admissions team** are available to chat to in the **Business School (Map point 9)**. You might also like to view our amazing **Catalyst building (Map point 13)** which houses our learning resources and study support.
