

Open Day Programme

Saturday 13 November 2021

It begins with an Open Day. And becomes a place to belong. We believe that when it's done well, education has a ripple effect. It grows knowledge. Improves skills. Creates opportunity. Changes lives. It helps you to make a positive impact on new places, every day of your life. Which is why we give you the space to achieve everything you want to achieve. We've created a place for you to live, to learn, to grow, to achieve and to belong. A place where you can expand your opportunities and shape your future.

- 2 Welcome
- 2 Where to go – for General Talks and Information
- 2 Joint Honours
- 3 Where to go – for Tours and Activities
- 4 Where to go – to view our Accommodation
- 5 Student Experience and Support Fair
- 7 Subject Presentations
- 12 Postgraduate subject and course information
- 14 Get help during the day

Information on the day

Information desks are available in each building with staff on hand to answer any questions.

Ask us

Our staff and current students will be present on campus to direct you and answer any questions about student life and studying at Edge Hill University. Spot them in bright purple tabards and purple polo shirts.

Free WiFi available

To connect please select WiFi Guest and register your details.

Please be aware that events may be filmed and photographed for Edge Hill University use. If you have any concerns, please speak to a member of staff at an Information Point or in Registration. Information in this guide is subject to change

Welcome to Edge Hill

We are delighted to be able to welcome you to Edge Hill University in person. Today's Open Day will give you the chance to find out about our range of courses and opportunities and look around our vibrant campus. We would particularly recommend a visit to our latest milestones in an ongoing programme of campus developments; our new Clinical Skills and Simulation Centre, our Catalyst Building, home to the Library, Learning Services, Student Services and Careers, and our state-of-the-art Sports Centre facilities. Edge Hill is committed to providing a high-quality student experience and through the course of today you will meet staff and current students who will be able to provide you with an insight into life at the University as well as course information.

A place to belong

Key Information Session

Attend this session to hear how we support our students to expand their opportunities and achieve their potential. Also covered in this session is the key information you need to know about student fees and finance, and student accommodation options.

10.30am, 11.30am, 12.30pm, 1.30pm

Faculty of Health, Social Care and Medicine

Joint honours

A joint honours degree is the study of two subjects, sometimes offered by different departments at the University. We advise that you attend the subject presentations in both departments. Where to go for general talks and information

A place to learn

Tours of campus and facilities

Take a look around all 160-acres of our campus and you'll see why it's award-winning. Everything is in one place from our 2,500 halls of residence rooms to our £30million sports facilities.

Tours of all our departments and facilities are available on request. Please speak to members of staff at the helpdesks in each building and refer to the course and subject information pages for further details.

Campus tours

Guided tour led by current students.

All tour routes are fully accessible.

A place to live

Your home from home

[View our accommodation](#)

If you're moving away from home for the first time, there's no better place to live than in our halls of residence with other new students. As soon as you start unpacking, you'll experience the supportive, sociable and welcoming buzz. We have accommodation options to fit every budget which you can explore on a self-guided tour at your own pace.

There is a Meeting Point for each halls of residence shown on the campus map (page 23). Look for the purple flag or gazebo. From the Meeting Points students or University staff will direct you to see rooms, kitchens and common areas. If you need more directions along the way, ask one of our friendly staff and students wearing a purple tabard. The Accommodation Guide provides lots of useful information to help you select the accommodation that suits you best. Make sure you pick one up at registration. If you have questions for the Accommodation Team, you will find them in the Hub (building 2 on the campus map).

Student experience and support fair

Your success matters to us. We want to help you prepare for a lifetime of incredible achievements and watch you reach your potential. We've designed a range of services to help every Edge Hill student make the most out of their time here.

All day

Hub

Student Experience

Admissions, Fastrack Programmes and Equivalency

Visit the Admissions team in room Hub 1 on the first floor of the main building. Staff are available to answer any questions regarding applications, entry requirements, interviews, equivalent qualifications and DBS checks. Staff can also provide information on our Fastrack and Access programmes.

The Arts Centre

The Arts Centre is open to all Edge Hill University students and has an exciting mix of performances, films, gigs, theatre, comedy and events throughout the year, as well as a great bar and café. As an Edge Hill University student, you receive free tickets for The Arts Centre through our free EHU student membership scheme.

Careers

Our Careers team can advise on the range of employment opportunities and career paths open to you with your degree choice. Find out how to enhance your employability through volunteering, placements, connecting with employers, part time work, Careers awards and funding opportunities – designed to help you develop your employability skills, experience and confidence – and compete successfully for graduate employment opportunities and/or further study.

Edge Hill Sport

The Sports Centre provides a wide range of sport and physical activities, both competitive (Team Edge Hill) and recreational (Campus Sport), as well as opportunities for volunteering or paid employment. Our facilities include a 25-metre swimming pool, an 80-station fitness suite, 50 weekly classes, a sauna and steam suite and a double sports hall. Outdoors you will find multiple 'All Weather' pitches, 5 grass pitches and an athletics track. So, whatever your level or motivation, Edge Hill Sport is the place for you. Please come and see us for a quick tour on the day.

Edge Hill Students' Union

Everything we do at Edge Hill Students' Union is shaped by our students and is underpinned by our determination to help every student have the best experience while at University. Whether it's through offering academic, housing, or welfare support via our Advice Team, or creating an exciting and diverse programme of events throughout the year, our Staff, student societies and sabbatical officers are here to encourage, nurture, and support you throughout your university journey.

Study Abroad

Speak to a member of our Global Opportunities Team about the range of exciting opportunities to study overseas at one of our partner universities around the world. Opportunities range from one week to a full academic year.

Health and Wellbeing

Moving away from home or starting a new adventure can sometimes come with its own stresses and strains but the Health and Wellbeing team are here to support you. During your time at Edge Hill, you can benefit from their support network including a 24-hour campus support service. Staff are able to provide advice and guidance throughout your time here on any mental or physical wellbeing concerns, general issues such as diet, exercise, local GP and dental services and access to other services such as counselling support.

The Language Centre

Speak to someone in the Language Centre if your target degree is in the Faculty of Arts and Sciences and you wish to study an optional module in a language (French, Spanish, Arabic, Mandarin, Italian or German). Extracurricular evening language classes are also offered to all students. Information about free English language support classes is available for students whose first language is not English.

Learning Services

Learning Services incorporates Library services, Media and ICT support, Learning Technology Development (LTD), support with Specific Learning Difficulties (SpLD) such as Dyslexia and Dyspraxia, Irlen Syndrome and ADHD and academic study skills (UniSkills). Speak to our expert staff to find out about the direction, support and guidance we offer.

Sandwich Placements, Faculty of Arts and Sciences

A sandwich placement is a year working in industry taken by students between the second and third year of a degree. For students, the aim is to build, develop and apply their skills as acquired through their degree in order to improve their employment prospects once they graduate.

Short-term Placements, Faculty of Arts and Sciences

A short-term placement usually takes place during the second year and can run over a number of weeks or months depending on the course requirements. Short-term placements are either compulsory or optional depending on the chosen course module and are unpaid. For students the aim is to gain work experience related to their studies and career pathways.

Student Opportunities

At Edge Hill University we provide a diverse set of events across the academic calendar to allow our students to thrive. These include activities during induction such as those linked to the Big Read as well as hundreds of extracurricular opportunities that help our students get the extra edge. Many of these activities are represented at today's fair but visit us to find out more about the opportunities we provide to help you gain extra academic, personal and professional skills.

Subject presentations

Learn more about your subject area and meet staff and current students.
Tours of all our departments and facilities are available on request. Please speak to members of staff at the helpdesks in each building.

We're here to help

Information points

Each building in use during the Open Day will have an Information Point, with friendly members of staff who can help with your programme, direct you around campus and help in the event of an emergency.

Staff and Student Guides

Our staff and Student Guides are easily spotted in their bright purple polo shirts and purple tabards and are happy to help with anything to make your Open Day visit run smoothly. Don't forget to ask our current students about their Edge Hill experience.

Complimentary refreshments

Complimentary refreshments are available throughout the day from The Hub in the Main Building, the Business School, Faculty of Health and Social Care and Medicine and Roots in the Faculty of Education .

We also have a Subway and Starbucks on campus and the Hub café will be open for breakfast.

Fire alarms

On hearing the fire alarm leave the building by the nearest available exit and assemble as directed by staff and Student Guides. Do not return to the building until advised it is safe to do so.

Illness or injury

In case of illness or injury please go to the nearest Information Point or the Registration area. Staff will be able to arrange first aid assistance and will call for an ambulance if required. Please report any injuries to staff at Information Points or in the Registration area.

Lost property

If you lose an item of your belongings or find some lost property, please speak to a member of staff at an Information Point who will help you in the first instance.

Toilets/ baby changing facilities

Toilets (including accessible facilities) are available in each building on campus. Please ask any member of staff or Student Guide for directions. Baby Changing Facilities are available on the Ground Floor of the Business School and in the Main Building.

Picture of campus map, please refer to the campus map available in the pdf version of the programme.
