

If the Google Maps route planner recommends you use a journey that requires you to use a tunnel/ toll road that incurs fees, you must submit a copy of this route planner plus evidence to show the cost. Evidence could be a receipt or a copy of the price tariff, which is normally available online on the providing organisations website.

It is your responsibility to contact your Programme/ Course/ Year Leader immediately as you become aware so that they can make the necessary arrangements for the extension to be considered.

Voluntary days attended and agreed breaks such as Christmas, Easter and Half Term are not liable to any financial support under the Accommodation Assistance section of the Travel and Accommodation Policy 2019/ 2020.

We aim to process and make payable expense claims, within 4 weeks of the submission date however; this may vary in busier or quieter periods.

You are not able to claim any additional funding for travel costs for commuting to and from your Placement setting each day, as costs must be managed by within the £50.00 per week contribution.

Taxis are not considered a form of public transport and should not be used unless you have received prior written agreement from your Partnership Development Team. If you do not have authorisation to use a taxi, you will not be reimbursed for any costs incurred.

In order to claim you must complete a **Travel and Accommodation Claim Form**, which is available on E-Share at <http://eshare.edgehill.ac.uk/15143/> and can also be accessed via this link on Blackboard/ Learning Edge.

To support your claim, you must also include the required evidence to show your eligibility, plus evidence of any travel expenses for travel to and from your term time address to your alternative address. This must show the cost, date and purpose of your travel. Supporting information includes:
