

Applied Health & Social Care and Social Work Students

All details relating to referred and deferred coursework may be found via the relevant module's home page on Blackboard, please ensure that you check this area so that you are aware of what you are required to submit for your reassessment. If you are unclear about where on Blackboard your module homepage is or what you are required to undertake for your submission you must contact your Module Leader or Programme Leader for advice.

Assignment tutorials are available depending on tutor availability and are by appointment only. Please contact your tutor if you have any questions about summer assessment.
