### National Careers Service

<https://nationalcareersservice.direct.gov.uk/>

*This site is really useful for helping with career choices, but also choices regarding training and work*

### Prospects

[www.prospects.ac.uk](http://www.prospects.ac.uk)

*If you search for a particular degree on this site, it identifies: job options, work experience, typical employers, and skills for your CV, and further study for example*

### Career Pilot

<http://www.careerpilot.org.uk/>

*This site offers careers guidance to students and is also useful to identify particular skills that you have*

### UCAS – The Buzz Quiz

<https://www.ucas.com>

*Not sure what job you should do? Take the Buzz Quiz to find out your strengths and what jobs you might enjoy!*

### Start

<https://guest.startprofile.com>

*Start is a free and comprehensive digital platform, offering schools and colleges a single starting point to help simplify and improve careers guidance in schools*

**Not only are the websites above useful tools, also talk to someone in your household and ask about their job! Below are some question prompts:**

- What is a typical day in your job like?
- How long is your working day?
- Is every day the same or different?
- What are the challenges/benefits?

*Try and think of some other questions you might find useful to ask!*
