

## Examination Timetable - Semester Two 2023/24

**This information is intended for students who are due to undertake a written examination or CBE (Computer-based examination) on campus in May 2024. If you are to undertake an online Time Limited Assessment (TLA) or other online assessments in May 2024, you will need to check the module area on blackboard or contact your department administration team for confirmation of the date and time and other details.**

**Please read the following points carefully before continuing to the examination timetable:**

If you have an examination clash or if you think an examination is missing from this timetable you must contact the [Assessment Team](#) in Academic Registry immediately. A 'clash' denotes an in-person campus exam that you are due to sit, taking place at the exact same time and date as another in-person campus exam that you are due to sit. Please note it is not possible to move the time or date of any examination unless there is a genuine clash.

You should arrive at least 15 minutes before the start of each examination and wait outside the venue until you are permitted to enter by the invigilator.

You must take your UNICARD (or other form of Photo ID) to all examinations for ID verification.

You are advised not to take expensive belongings to the examination venue and do so at your own risk.

Any student who is unable to sit an examination or any other assessment due to circumstances beyond their control can submit a Personal Circumstances application to defer their assessment to a later date without further penalty to their mark. Details are available on the Academic Registry webpages: [Personal Circumstances Form](#)

Please refer to the code of conduct for examination candidates, which is available on the Edge Hill web pages: [Code of Conduct](#)

**All morning exams begin at 9.30am**
