Regulations

The regulations governing the certification of awards at Edge Hill University encompass any printed verification of academic achievement or award issued by the University. Irrespective of the level of award, all such certification produced by the University should conform to institutional guidelines, outlined in this document, and be identifiable to those staff with responsibility for the validation of such documents.

1 Parchments

- 1.1 Four levels of award are currently in operation; comprehensive details of each level are outlined in Appendix A. Each level has been assigned a template parchment incorporating security features that correlate to the level of award, ultimately leading to the highest level of security aspects featuring in the certificates of those Major¹ Awards conferred by the Academic Board.
- 1.2 Parchments are securely stored within the central Academic Registry. In order to ensure quality control, access to the template parchments is restricted as detailed in Appendix A. The access rights outlined in Appendix A are managed by the Head of Academic Registry and any queries in relation to amending these should be directed to ceremonies@edgehill.ac.uk in the first instance.
- 1.3 Each parchment, in respect of Major Awards, is numbered and a log is maintained within Academic Registry.
- 1.4 Wording for these certificates will vary according to purpose but must be approved by the Head of Academic Registry. Appendix B details the mandatory wording in respect of Major Awards conferred by the Academic Board.

2 Verification of Academic Qualifications

2.1 Academic Transcript²

- 2.1.1 Module/block year marks are subject to internal moderation³ and confirmation by a properly constituted Assessment Board, acting with delegated authority from Academic Board⁴. Results remain provisional until such time that all mandatory processes have been completed.

¹ For the purpose of this paper, 'Major Awards' comprise those in excess of thirty academic credits, with the exception of the University Certificate.

² Academic Transcripts issued by the University comply with QAA guidance which incorporates the requirements of the Diploma Supplement.

³ Assessment above level 4 must incorporate an appropriate level of external examiner involvement.

⁴ The Composition and Responsibilities of Assessment Boards are outlined in H9 of the Academic Regulations

- 2.1.2 The Academic Transcript is the student's formal verification of their results⁵ and is only issued after the results have been confirmed by the relevant Assessment Board.
- 2.1.3 Final Award Academic Transcripts issued by the University are not valid unless printed on Edge Hill University Watermarked paper.
- 2.1.4 All Academic Transcripts issued by the University are accompanied with the Academic Registry contact details for enquiries in relation to the validity of the document.

2.2 Certificates

- 2.2.1 Certificates are issued to denote a particular award. Certificates are normally issued at the end of the programme however, when agreed in the programme validation, certificates may be issued at an intermediate stage to signify a recognised point of award within a programme.
- 2.2.2 All University certificates incorporate the appropriate level of authentication outlined in Appendix A.
- 2.2.3 Certificates in respect of Major Awards are bound by the mandatory wording detailed in Appendix B. Regardless of delivery mode, method or location; the words and terms used on all University certificates are consistent.
- 2.2.4 Local certification for academic purposes is prohibited except as outlined in this document.
- 2.2.5 Certificates may be withheld from those in debt to the University.
- 2.2.6 Certificates in respect of awards granted by Lancaster University (Edge Hill's former validating body), are produced by Lancaster University. Edge Hill University will not produce certificates for awards that it has not conferred.
- 2.2.7 Certificates are legal documents. Academic Registry will produce all certificates in the full legal name (including any middle names) as presented to the Award Board which confirms the final award. This will be the name that students are formally registered with at the University on the date of the award board.

2.3 Student Name Changes

⁵ For an exhaustive definition of the Transcript's purpose, please refer to Appendix 19 of the Academic Regulations

- 2.3.1 Should a student's name change during the course of their studies it is the student's responsibility to inform Academic Registry and to provide the relevant documentation to confirm the change⁶.
- 2.3.2 Name changes should be reported to the University as soon as is reasonably possible and by no later than the end of teaching for the final term.
- 2.3.3 Once students have completed their course and final results have been confirmed by an Award Board, the University will not permit retrospective changes to the name on a certificate aside from where one, or more, of the conditions set out in 2.3.4 is met.
- 2.3.4 The University may make an exception to 2.3.3 and retrospectively amend the name that an award is confirmed under where one or more of the following circumstances is evidenced:
- i. Where a name change has been made in accordance with the Gender Recognition Act (2004).
 - ii. Where a change of name is associated with vital personal security such as victim or witness protection, where a former student changes their identity and the police or security services recommend that the change should include the individual's qualifications.
 - iii. Other highly exceptional circumstances where the individual's human rights or vital interests justify the reissue of a certificate in a new name. The Head of Academic Registry will consider such applications on a case by case basis, outcomes will depend on the reasons given and evidence provided.

3 Academic Partnerships

- 3.1 The issue of award certificates and transcripts for students undertaking a University award at a partner institution remains under the control of Edge Hill University.
- 3.2 Subject to any overriding statutory or legal requirements or constraints in any relevant jurisdiction, the Academic Transcript records the name of the Partner Organisation.

⁶ Full details of how a student can change their name with the University are outlined on the Academic Registry webpages.

- 3.3 It will be articulated on the certificate that where the location of study and/or teaching institution is not Edge Hill University, this will be indicated on the transcript that accompanies the Certificate.

4 Communication of Academic Results

- 4.1 Academic Transcripts are issued to students following assessment boards and within the timeframes published by Academic Registry.
- 4.2 Individual results will not be reported to a third party without consent from the student concerned⁷, which would normally take the form of a signed declaration of consent.
- 4.3 In accordance with J5.3 of the University's Academic Regulations; marks and results will not be disclosed by telephone or e-mail for security reasons.

5 Duplication of Certification

- 5.1 All certification will be issued in the initial instance without a direct charge. A fee will be applied for duplicates.
- 5.2 Where a request is made to replace a damaged certificate, the original certificate must be returned with the application form.
- 5.3 If the certificate is lost, destroyed or stolen, the full circumstances surrounding the request must be outlined in the application. The Head of Academic Registry may request additional information and reserves the right to refuse a request for the duplication of a certificate.
- 5.4 Duplicate certificates will have the following statement printed on the back of the parchment; 'This document is a duplicate of the original; reprinted on Day Month Year'

6 Revocation of Certification⁸

- 5.5 Awards made by Edge Hill University are conferred in good faith. Allegations of malpractice relating to the award which are made subsequent to conferment will be investigated and, if proven, may lead to the revocation or re-classification of the award. Evidence of falsification of material factors

⁷ Except from where legal obligations preside.

⁸ Full details of Edge Hill University's regulations for the revocation of awards are outlined in Appendix 24 of The Academic Regulations.

concerned with student registration or improper use of any award conferred will be similarly investigated.

- 5.6 In any instance where an award is revoked, the student will be required to return the original certificate and the University's certification log will be appropriately annotated.
